Mr. Harold Weisberg
Hyattstown, Maryland 20734

Dear Mr. Weisberg:

I am gathering material on the assassination President Kennedy and having heard that you too are collection of Kennedy assassination material, I thought I'd drop you a line and see if possibly you could furnish me with information on the following:

1). The Number shots that hit Kennedy?
2) Why were the autopsy notes and the pristine-interrogation words not kept?
3) Governor Connally's wounds

My purpose in attempting to secure this information is due to my interest in this historical subject and to clear up in my own mind certain missing gaps in the Warren Report. As most of the

material ~~which~~ and the Warren Report which I have read to date seems to be inadequate in that it does not present a full picture of the Kennedy Assassination.

Thank you for your kind attention to the above, and in anticipation of your considerate help in my behalf, I am

Sincerely yours,
Joseph J. Trucilli

P.S. I am enclosed some newspaper clippings for your file.
